

Final capital gains distributions

Frontier Funds distributed short-term and long-term capital gains to shareholders of record on December 12th, and payable December 13th, 2024.

To determine the distribution for a fund on this list, multiply the fund's total per-share capital gains estimate by the number of shares your client owns.

For more information about Frontier funds visit frontiermutualfunds.com to obtain a prospectus or, if available, a summary prospectus. Investment objectives, risks, charges, expenses, and other important information are contained in the prospectus; read and consider it carefully before investing.

All investing is subject to risk, including the possible loss of the money you invest.
